Less than two weeks after announcing the county's 10 most-wanted gang members, federal authorities say they've already made three arrests.

Representatives from the Bureau of Alcohol Tobacco and Firearms will announce the arrests of three men Monday. The arrests follow a March 24 announcement along with the Lake County Sheriff's Office and U.S. Rep. Mark Kirk's office, detailing the 10 most-wanted gang members in the county.

Police are not releasing the names of those arrested until Monday.

Police say they received several tips on the whereabouts of the men on the list following a news conference on March 24. They also plan to announce new additions to the most-wanted list on Monday.
